- Creating a vision for thriving youth & family ministry
- Merging the two so we have whole church ministry

Sacred Community

How do we create sacred community between our children/teens and adults?

- Intergenerational ministry/activities
- "It Takes a Village" community building activity

The Enhanced Classroom Environment

Setting up classroom stations that encourage self-responsibility, compassion and belonging.

- How can the adults participate in the creation of this environment and not have to be a teacher?
- Sacred Safety
- Classroom Stations

The Sacred Circle

Exploring how to create the feeling of community in the classroom.

- Community Building
- Brain Games
- Prayer & Centering
- Music and more

Living Curriculum
