

THRIVING YOUTH MINISTRY SYLLABUS

Inspired Leadership

How do we create leaders within our churches? This topic explores how we become a model of leadership and grow, empower and support our Youth Ministry Teams.

Why are Youth & Family Ministry Programs Important?

Why is it important to teach children and teens? What do they bring to our ministries?

Vision

What is the current vision of Youth Ministry in your church, what works and what needs improvement? How do we get the entire congregation to join us in the vision?

Relationships

What are the roles and relationships between the minister and the children? What support does the Youth Ministry team need? How involved does the minister need to be? How do we keep the congregation invested in the program?

Community Building

What builds community and what impact does it have on our programs. How do we do Intergenerational Ministry? What are the benefits of all working together?
